Just a reminder that we have several fundraising opportunities for our CHET families to participate in. These fundraisers will help us to have the funds to continue next year to offer scholarships, update our computer lab, give special “thank you’s” to our teachers, fund the growing staff of CHET, increase security monitors etc., while continuing to pay rent insurance, and cover payrolls.

Here is a list of ways that you and your family (and even extended family) can help CHET out financially:

- 1- You Shop. AMAZON gives!!!
- 2- Donation to the ***Dan Kelly CHET Memorial Music Scholarship Fund***, in Memory of Dan Kelly who taught at CHET for several years and passed away this month. He will be greatly missed, but his legacy will continue!
